

## **Admission Process**

Please be informed that the online application submission is currently closed. Parents will be notified once the application form is reopened.

In the meantime, to check grade availability and initiate the admission process at Ghiyasuddin International School, parents are kindly requested to first confirm seat availability for the required grade. Parents may contact the Admissions Team via email at [admission@gis.edu.mv](mailto:admission@gis.edu.mv) and provide the student's full name, date of birth, and the grade for which admission is being sought.

Upon confirmation of availability, parents will be guided through the admission procedure, including the required documentation and next steps for application submission.
